TARTAR SETTLEMENT IN THESE

the chief personages of his court and time; and finally, ascribed to the plague in the year 1643. It was only the other day that we were examining the very choice Holbein at Bergholtz the famous nest of the Margrave of Brandenburg, the composite portraits of Henry VIII., Queen Mary, Queen Elizabeth, Edward VI., and Thomas Cromwell, all hung in the "Fagade" room among the many valuable pictures of Hans Vandyck, Lucas Cranach, Janssen, Titian, Velasquez, Zucchetto, Rembrandt, &c. &c. We were told that the "Margrave of Ecker" had been ordered, and had refused, the sum of £200 to have the picture removed from the gallery. Carlo Dolci's marvelous picture, "Our Saviour blessing the Elements." It hangs in the jeweled alcove, and is really regarded as the gem of the collection, and is yearly collected as the fruit of St. Salvator Burguly's religion. It looks as fresh as though it had been painted a week or two ago.

BILLIARD TABLES

C LAZARUS & Co.'s Billiard Tables are now the only ones supplied in India as a long and steady experience extending of 50 years has proved them to be the best and most suitable for the climate.

O. L. & Co. have received a large number of very flattering testimonials from all parts of India, China, Birmah, Ceylon, Malacca, Java, Straits, and Persia, testifying to the superior make and quality of their Billiard Tables, and while thanking their Friends and Patrons in China for the liberal support so long extended to their firm, world, in soliciting further patronage, beg to mention the following facts which have conduced to the success their efforts have hitherto met with.

Every table is made of solid wood, such as Rose and not veneered.

The Cushions are constructed on an entirely new principle, introduced by G. L. and Co. and unlike that adopted by English makers are much more durable and lively. English-made cushions are made of a soft material, and G. L. and Co.'s promises us that it has been standing rigidly finished for over months, in order to ensure perfectly seasonable material.

Every article of furniture, also, that leaves G. LAZARUS and Co.'s Establishment, is guaranteed of Solid and Seasoned Wood.

C. L. and Co. have always ready a large set of new Cushions on their peculiar principle, which can be supplied for any table, the accurate length and breadth of the slate bed being required.

C. L. and Co. have always in hand a large stock of Bijaard, Pool and Pyramid Balls, O.

Tips, Chalcis, Cloth, and every requisite for
Billiard Table.

Old Questions renewed on O. LAZARUS
Co's peculiar principle, thereby making an
article as good as new.

BILLIARD LAMPS.

Six and Eight Light Lamps for Oil, or Kerosene, the latter with burners on the dupli-
cate principle, giving a light equal to twelve ordinary
lamps.

Electric light ring burner Gas Pendant
with rod to suspend over table.

THE PORTUGUESE PINE FORESTS.
 "The road northward from Leca lies through the vast pine woods which form so near the coast a zone along the Portuguese seaboard.

Monars, George Bell & Sons, will shortly issue a first volume of "Notes on Irish Antiquaries." The materials for this work were collected by the late Mr. John Dunraven, and it is edited by Miss M. Twenty years ago a poor boy, attractively young the life of Lord Nelson, secretly left parents roof with a pocket-knife, sandwich, a bunch of twine as his sole capital, resolutely goes to sea and become an admiral. Bravely away from home this brave, ambitious was kicked into a duck-pond by an exasperated mule; and he is now one of the wealthiest men; most devoted agriculturists in the State of New York.—*Brooklyn Argus*.
